

Agriturismo Girasole

Enclosed by the estate where the Fulignati family cultivates olive trees and vines, Agriturismo Girasole (sunflower) is a restored beautiful farmhouse, an example of authentic rural architecture. Away from noisy roads, although easily reachable, the Agriturismo is a relaxing and tranquil get-away. The apartments are surrounded by **a park** where **pergolas, tables and chairs** are at disposal for dining and chilling out outdoor. In addition to the **swimming pool**, guests have access to the **tennis court, bowling alley and ping pong table**.

Il Girasole is a family-run farm, its products - oil, wine, honey, vinsanto - are on sale and guests are welcome to collect vegetables and fruits from the garden. Between June and August, the Fulignatis offer special home made suppers and dinners upon reservation.
