

Casa Giulia

Casa Giulia is located in the historic center of Gambassi Terme, a strategic point for those traveling the Via Francigena and for those who want to savor the atmosphere of the village without giving up on comfort. In fact, the central location will allow you to have bars, restaurants, grocery stores, spas, the pharmacy and other shops of various kinds within walking distance.

Casa Giulia opened its doors in 2016 and is located inside a medieval building, here you can breathe and experience an atmosphere of times long gone. The house has been completely renovated, but the vaulted ceilings and original exposed beams have been left. The welcome is taken care of in all respects by the owner Franco, who will be available to the guest for information, advice and assistance. The house consists of a bedroom with double bed, a living room with a queen size sofa bed, a working fireplace, a kitchen equipped with everything you need for a short or long stay, a bathroom with shower, washing machine and TV in every room and air conditioning. At the entrance on the external wall, many flying plants, small Kokedama, which the owner creates with plants mostly collected in the woods. By staying at Casa Giulia you can enjoy this magical atmosphere typical of small villages and you will certainly be fascinated by Gambassi Terme.
