

Soleado Holidays

Along the Via Volterrana - between Castelfiorentino and Gambassi Terme - and nearby the winery of Villa Pillo, Casa Vacanza Soleado is a lovely and exclusive house, recently restored in **Tuscan style** and well equipped for a family reunion of a friends' retreat. The house is furnished with such a taste and the atmosphere is warm and cosy.

In the private terraced garden surrounding it, green lawns flank terracotta paved areas; the **swimming pool** is equipped with sunbeds, umbrellas and tables; guests can enjoy the barbecue area and the property is embroidered by **easy paths** for stretching your legs **into the nature**.

Last but not least, dogs are welcome!
