

Florence and Palazzo Vecchio by night

Live a unique evening with your **personal guide in Florence**. When the city is not crowded, it will surprise you even more!

Enjoy a nice walk to **Ponte Vecchio**, enjoy the city at night, stop by the **Cathedral** - it's rather a privilege to appreciate the beauty of the Giotto's Bell Tower and of the Baptistery without the daily crowd that fill the square. Raise your gaze and take a selfie in front of the majestic **Brunelleschi's dome!**

Next stop is the amazing *triangle* **Palazzo Vecchio** - Loggia dei Lanzi - Galleria degli Uffizi: you'll step directly into an art history class!!! A private visit to Palazzo Vecchio will make you understand the unbreakable bond between Florence and the Medici family.

Last stop in Piazza Santa Croce.

everything not expressly mentioned as "included"
