

Half day in Pisa

Our driver will pick you up at your place in Gambassi Terme and will take you to destination **Pisa**. There **Piazza dei Miracoli** will be the first must-see site with the most famous **Leaning Tower** but also the enchanting cathedral and baptistery – we highly recommend visiting both of them – and last but not least the cemetery.

The tour continues towards the mouth of the Arno river, for a visit to the **Basilica of San Pietro in Grado**. During the Romans' time, San Pietro a Grado was a port of call, where ships arrived from the Mediterranean Sea; "Grado" in Latin means "port of call". The Basilica has a singular shape and structure and you will be able to enjoy its well-preserved ancient frescoes.
