

## Via Francigena in E-Byke

Riding an e-bike, you'll follow part of the **Gambassi Terme - San Gimignano stage** along the **Via Francigena**, an enchanting route both on dirt and paved road. Along the way, a few stop are scheduled to let you admire the landscape and discover more about its history. You' ll have some extra time to visit the beautiful **Pieve di Cellole** and the old town of San Gimignano.
