

Wine Tasting

The Corbucci farm is located **in the heart of Tuscany**, near the beautiful **San Gimignano**, the Corbucci farm produces wines famous all over the world for their great quality and exclusivity. Each wine is the result of tradition handed down from generation to generation, from father to son. The dream and reality of the Corbucci Azienda Agricola is to offer the most demanding wine lover fine and rare wines

The company and produces 8 labels, from Chianti DOCG to Vernaccia di San Gimignano passing also for a Chianti DOCG Reserve aged for 24 months in small oak barrels.

8 labels for 8 special types of wine, in which we find the excellence of the territory married to our constant commitment.

Francesco Corbucci and his staff will attend you on an **exclusive tasting**, that will be matched by tastings of cheeses, cold cuts and mustards.
