

Winery tour with wine and oil tasting

Villa Pillo, a historic winery from the 1700s, covers 400 hectares, halfway between [Gambassi Terme](#) and [Castelfiorentino](#), between its own vineyards and olive groves. Famous throughout the world for its fine wines, in recent years Villa Pillo has achieved excellent scores from the major sector magazines.

The wine is without doubt one of the typical products of Tuscan excellence, appreciated all over the world. Here at Villa Pillo you will have the opportunity to taste prestigious wines and excellent vintages, as well as the famous Tuscan oil. You will be followed and advised by our experts who will explain everything you want to know about it. We recommend combining typical regional products with tasting, to stimulate the palate and try the characteristic flavors of Tuscany.
